1st Friday in Cuero 10.03.2025

Trivia Question

What popular movie included a car as a critical part of the plot which would ultimately be willed to a central character...on the condition that it must remain totally stock and unmodified?

Trivia Answer

Gran Torino. The full-length feature directed, produced and starring Clint Eastwood is the story of a Highland Park, Michigan, Korean War veteran and retired Ford factory worker who befriends a troubled Asian neighbor and his family by confronting ever-escalating gang violence. Eastwood ultimately wills his beloved 1972 Ford Gran Torino in an act of cultural redemption to the Southeast Asian teen (who originally tries to steal it) on the condition that it remain totally stock and unmodified. Perhaps Eastwood is an AACA member?!
